Reports from Directors / Rotarians:

Secretary Chris reported that Penny Carlyle, wife of DG Ross Carlyle, sent an email thanking our members for the donation to City Mission. In her email, she stated "It is good that the recipients will be in your local community and when I went last week their supplies were very low." The DG Ross also emailed to say 'thank you' to our club for hosting them. He wished the club all the best; and reminded us that our Assistant Governor (AG) Biddy Fisk and him are available to support our club, should we need their help.

Director for Youth & Vocational David C. welcomed Mick Lin, our Taiwanese Rotary Youth Exchange (RYE) student. Mick is staying with David & Pat for the next three weeks until Mick can move into his longer-term accommodation. David requested members to include Mick in their family activities, should the opportunities arise. **Director for Community Service and Chairperson for the evening Robin Cooper** conveyed a vote of thanks to PP Jenny Kerrison for driving the successful application for the club, for the Rotary Global Grant application of USD251,334 for malaria elimination in Timor Leste. Likewise, Ian Geard concurred with this recognition for Jenny.

SPEAKER Michael & Yasna Baric presented a well-researched case study on their two sons -Joshua (12 years) and Lucas (9 years) diagnosed with Duchenne Muscular Dystrophy (DMD) when they were babies. DMD is degenerative. The boys are likely to live up to 20 – 30 years old. The parents are full time carers. At the end of the evening, we all felt the enormity of the family's situation – two boys who are gradually losing their motor functions; will eventually experience feeding, swallowing, and breathing difficulties. In time, the boys will require a lot more support and assisted ventilation to breath. The hardest part of the journey with the boys is yet to begin.

Is it FAIR to all concerned?

Will it be BENEFICIAL to all concerned?
