**September 12 Meeting:** There was no Speaker tonight. Instead, 2 Rotaractors (President Kathryn and Lisa) spoke briefly about the Rotaract Club. When Kathryn took over as the President, they had 3 members. Six new members joined the Club in August and they now have 9 members. President Kathryn emphasised that she is focusing on building the club and would like her members to learn from Rotary clubs. The Club meets fortnightly with 1 formal and one informal meeting per month.

From the many questions asked, it was clear that our Club members were interested in the Rotaract Club. As there are only a few Rotaractors, they do not participate in many projects. Currently members are from 18 – 30 y.o. age group. Fifty percent of Rotaractors are from overseas and many are University students. Many become Rotaractors because they enjoy volunteering to help their communities.

**Director for Club Service, Velja**, spoke to the Club on the Hat Night event that is planned by the Club Service Committee. Funds raised will be donated to Australian Rotary Health for mental health research. Mental illness affects one in five Australians every year. Velja encouraged members to seek attendees beyond the Club base. Heather Emmett recommended the St. Vinnies' shop for a wide range of hats. Tanya Dargaville will prepare a flyer that will be sent out to all Rotary Clubs in the south.

### THE FOUR WAY TEST

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL & BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
