## **Rotary Club of North Hobart celebrates World Rotaract Week with Rotary Club of Sandy Bay and Rotaract Club of Sandy Bay**

**10 March 2020**

The meeting was chaired by David C.

President Ros T reported that the International Women's Day event was a great success and thanked Turnbull Family and White Lady Funerals for their support.

Brian Yeaman Jr., President of Rotaract Sandy Bay, reported on the club's activities. Recently they staged Fresh Food Families with the Hobart Thai community, and are participating in the Relay for Life with Rotary Salamanca. Dan Durrani reported on the recent Rotaract National Conference, at which Tamar Valley member Holly Corbett was named Rotaractor of the Year.

Roger Ibbott of Sandy Bay and Jenny Kerrison of North Hobart reflected on the strong links between Rotaract and Rotary.

20 Sandy Bay and 17 North Hobart members attended. North Hobart apologies were Jim C and Tanya D. Our club guests included Zen Fong, Effie Flaskas and James Teirney.

Derek C reminded members volunteering at the Estia Greek Festival of administrative arrangements.

The guest speaker was Holly Corbett of Tamar Valley Rotaract and the Rotaractor of the Year.

Holly is a journalist who has worked for a number of media organisations and currently works for Tasports. Holly credits participation in the National Youth Science Challenge and the Model United Nations with giving her some of the skills needed to succeed in journalism, and as a science communicator.

Holly gave a deeply personal account of a difficult period in her professional life and explained that Rotaract was a supportive group, which had helped to restore her faith in humanity and assisted in her personal and professional growth. Holly's moving talk was accorded a standing ovation.

The raffle was won by Ian Johnson of R C Sandy Bay and Brooke Farrelly of Rotaract Tamar Valley.

We greatly enjoyed the fellowship with our guests from Sandy Bay and thank the Black Buffalo staff for their efficient service.

A number of attendees patronised the Rotaract Tamar Valley Raffle, which was drawn last Friday. The winner was not from Sandy Bay or North Hobart.

### STEM resources donated to Sacred Heart College

The Rotary Club of North Hobart is very proud to support Sacred Heart College, one of our local schools. To show how Rotary values education, our club has donated two sets of reading books about Maths and Science topics. Pictured at the handover today are Simon Weiss, Head of Maths, Diana Nahodil, Head of Science, Roslyn Teirney, President, and David Clinch, Youth Service Director. Thanks to Danielle Hill for the photo and our member John Thorne for bringing these excellent resources to our notice. Principal, Elizabeth McDougall, said "Thank you so much for the kind offer of resources – most thoughtful and generous of Rotary North Hobart to think of SHC (particularly our girls!)."

### Messages from President Ros

- Estia Festival had to be cancelled last Sunday but the Greek community has on offer some home-made sweets and cakes. They will be for sale to the public at the Hellenic Hall on Wed 18 March between 12 noon and 6pm.
- Our Bunnings BBQ on Thursday 19 March has been cancelled.
- While we are taking a break from meetings, I invite members to browse our club's website. <https://www.rotaryclubnorthhobart.org.au/>  
Throughout the year, the Public Image team has been updating the list of projects and the blog of current events. Yes, we are behind, but there is still good reading on the site and tips for improvements from critical friends are warmly welcomed. Facebook has the most up to date collection of photographs. If you are on Facebook, please follow the Rotary Club of North Hobart page and also Rotary Tasmania and the Rotary Tasmania Family group.
