August 15 Meeting: Club Secretary Rex drew members attention to an article entitled **Rotary By Numbers** which appears in the most recent *Rotary Down Under* magazine. In the article, Rotary International President, Ian Riseley, asks clubs world wide to provide the following numbers: the amount of money, both in cash and in kind, spent on humanitarian service and the number of hours of work performed in Rotary's name. The Club will need to put in place a process whereby we can collect and forward these numbers. President Riseley's reasons are set out in the article which appears on p3 of the magazine.

SPEAKERS Drs Peter and George Dargaville treated members to a fascinating powerpoint. We were all entranced by the title : *72 hours in Southern Egypt* - sounding like a thriller movie. And the story they told of their adventure south from Luxor pretty well amazed us all. They pushed cushy tourism to one side and tested tourism to somewhere pretty close to the limits!! Thank you Peter and George - whimps that we are!

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL & BETTER FRIENDSHIPS**?
