## PEOPLE OF ACTION

Our club offers opportunities for our members – and those interested in making a difference – to get involved. Through meetings, social events and volunteer projects, our members learn about the issues facing our community and communities all over the world. We partner with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

## MAKING A DIFFERENCE

Solving real problems takes real effort, commitment and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure and make our community and the world a more peaceful place.

We are working with various partners on many worthwhile projects, including:

- Music for Dementia – providing headsets to a residential facility to share personalised songs
- Toys and books for Christmas – supporting The Smith Family
- Food stall at Carols by Candlelight – supporting New Town Community Association
- Rotarians Against Malaria – providing bednets to save the lives of mothers and children in Timor Leste
- Ending polio – Partnering with the Bill and Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

## GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

Volunteering is a lifestyle! Through Rotary I've been able to work to improve the lives of nurses in Bangladesh and mothers in Timor Leste. The time I've given has been well worth it.

– Jenny Kerrison

My experience with Rotary has been immensely valuable. I've made lifelong friends, travelled the world meeting passionate people and felt that I've been able to use my skills in a fulfilling way.
